2024 ONWARDS...

DEMOCRATIZATION OF TRAVEL:

62% of Generation Z adults said they use technology to save on travel. The decisions of these consumers affect not only their own trips but also family vacations.

COMBINING BUSINESS AND LEISURE TRAVEL:

Many professionals are working remotely with more flexible schedules, and consequently, travelers are increasingly combining business and leisure trips. This is opening up new opportunities for how, when, and how long to travel.

DESTINATIONS INSPIRED BY MEDIA:

22% of Brazilians choose travel experiences highlighted by influencers, while 60% of Generation Z travelers have a strong desire to travel the world.

ENVIRONMENTALLY CONSCIOUS TRAVELERS:

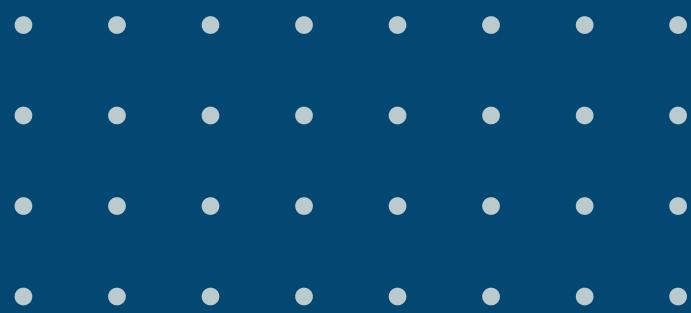

85% Mexicans would choose eco-friendly travel if it is available at an equal or lower price than alternative options, while 71% of Brazilians are very interested in eco-friendly options.

OUTLOOK FOR 2024

- Travel will remain a priority
- Carbon taxes, visitor taxes and mandatory climate rules will place limits of travel
- Travel and travellers will become more responsible & sustainable
- Longer and slower tours
- Continuous change in seasonality
